Championship Game

BERWYN DEFEATS LOCAL BOYS, 4-1, IN AN INTERESTING GAME.

Berwyn drew first blood in the Main Line championship series between Narberth, winners of the first half, and Berwyn, winners of the second half, last Saturday, by winning 4-1.

Hood, pitching for Narberth, and Paiste, for Berwyn, engaged in a great pitching duel, with honors in favor of Hood, who lost his game on account of errors and misplays by our local boys.

Berwyn made much of every opportunity and had Narberth done likewise the score would have been different, as Narberth lost several good chances to even things occasionally.

The game today will be held at the Devon Polo Grounds and a large crowd is expected to follow our local boys and see the second championship game, and it is hoped that Narberth will turn the tables on their last week's game, which might have been won by our local boys had every advantage been taken of the excellent pitching of Hood and by the general good playing of our boys.

Errors were made at an inopportune time, in which Berwyn lost no time in taking advantage of Narberth's playing where the opportunity presented itself.

Singles Tennis Championship
to be Decided this Afternoon

GRUGAN, WHO DEFEATED KIRKPATRICK LAST SATURDAY, WILL MEET VAN AUKEN, WINNER OF LAST YEAR'S TOURNAMENT—PLAYING TO START AT 2 O'CLOCK.

The Singles Championship of the Narberth Tennis Association for 1920 will be decided this afternoon on the courts at Elmwood and Essex avenues, when Lt. Com. Frederick Van Auker, winner of last year's championship, meets A. T. Grugan. It will be a three-out-five match, and you can depend on it every point will be hotly contested.

Mr. Grugan won his way to the finals last Saturday by defeating W. J. Kirkpatrick, winner of many tournaments and one of the best players in the Association, 6-1, 3-6, 6-0. Mr. Van Auker also reached the finals last Saturday after defeating C. L. Warwick in the semi-finals in what was one of the best matches ever seen on the local courts. Earlier in the afternoon Warwick had defeated Whitney, 6-0, 6-2.

Although the Van Auker-Warwick match was decided in two sets, that fact fails to give any idea of how hotly the match was contested. The

score in the first was 9-7, and the second 8-6, and not until Van Auker had scored the final point in each set was his victory assured. Warwick "played the game" right up to the last stroke.

The match was replete with brilliant shots and rallies, which brought frequent bursts of applause from the spectators.

In the final match of the Consolation Doubles the contesting teams were finally compelled to stop playing on account of darkness. At that time Messrs. Bailey and Edgerton were leading their opponents, Smedley and W. Harris, by two sets, 9-7 and 6-4, and led in the third set, 6-5.

The only other tournament match played during the afternoon was between Smedley and E. M. Warwick in the Consolation Singles, the former winning, 6-2, 3-6, 6-3. This brought this tournament up to the semi-finals.

Narberth Building
and Loan Association

Next week, on Thursday evening, the regular meeting of the Narberth Building and Loan Association will be held at the Fire House and the new series that was opened in September will be available to those who were unable to attend the September meeting and take out new shares. It will only be necessary for new members to pay two months' dues, or two dollars on each share purchased, together with the small fee of ten cents a share, to become stockholders in the new thirteen series on the same standing as if they had taken out the stock on the opening night.

The Narberth Building and Loan Association has just had the benefit of an audit by a representative of the Banking Department of the State of Pennsylvania, who is required by law to examine the Building and Loan As-

sociations of Pennsylvania and see that they are conducted safely for their stockholders, and his comments on the way the business of this Association has been conducted were highly complimentary to its officers and directors.

Don't forget that it will be possible to obtain new shares at the October meeting, at the Fire House, Thursday evening, October 7th, from 7 until 9, and that any of the Directors will be glad to explain the Building and Loan idea of saving and show how carefully the funds are invested and how the stock increases in value each year until it matures and is paid to the stockholders.

WOMAN'S AUXILIARY FLAG COMMITTEE TO GIVE DANCE.

The Flag Committee of the Woman's Auxiliary will give a dinner dance, Friday evening, October 8th, at 7 o'clock, at the General Wayne Inn.

Mr. Odell will serve an oyster plate dinner and invites all friends and members of the American Legion. Tickets, \$1.50. Proceeds to purchase a flag for the American Legion.

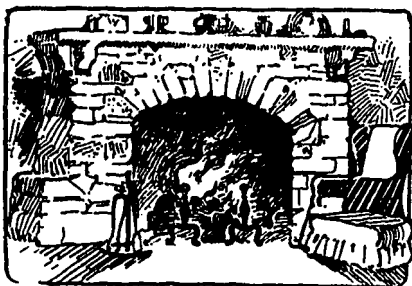

Tickets on sale at Howard's Drug Store and the General Wayne Inn, or from the Entertainment and Flag Committee of the Woman's Auxiliary.

GENERAL WAYNE INN.

Mr. John T. Odell has recently taken over the historic General Wayne Inn, where he is serving meals both table d'hôte and à la carte. The banquet rooms have been tastefully decorated and arranged with the idea strictly of giving service to his patrons. Orchestra and dancing every evening.

The advertisements of the General Wayne Inn are appearing in Our Town each week, and a bit of history concerning the Inn is given in each advertisement.

We wish our young townsman success in his undertaking.

Visitors to the Flower and Vegetable Show were keenly interested in the display of vegetables.

Mrs. John O. Miller Addresses
Women Voters of Narberth

Over a hundred women gathered in Elm Hall on Friday afternoon, September 24th, to listen to Mrs. John O. Miller, of Pittsburgh, president of the Pennsylvania League of Women Voters.

Mrs. Miller very ably outlined the purposes and scope of this organization, which resulted in about forty of the women present affiliating themselves with the League.

Through the united efforts of this organization throughout the United States the women of the country propose to work for the passage of certain bills as recommended by it and to aim generally to bring about better civic and cleaner political conditions.

Meetings will be called from time to time as the occasion warrants, and as much information as practicable will be disseminated through these columns.

Mrs. Miller expressly urged the women present to take their voting privilege seriously and to think about the great responsibility and opportunity that is now theirs. A sample ballot, with its intricacies, was also explained by Mrs. Miller.

Many of the women present expressed genuine gratitude at the privilege of hearing so able and convincing a speaker

as Mrs. Miller, and the writer is confident that if there were any doubting Thomases in the audience they were firmly convinced before leaving that there were great opportunities ahead of them for real constructive thought and action.

The Manual of Citizenship for the State of Pennsylvania was on sale for 50 cents; other copies may be had by phoning Narberth 1638-M. This publication is compiled by the Pennsylvania League of Women Citizens and contains much valuable information that every woman voter should know. It deals with the Right of Citizens Guaranteed by the Constitution of Pennsylvania, Framework of the Government, Election Laws (Summarized) and Organization of Political Parties.

A meeting will be called later for the election of officers and at the same time it is hoped that some arrangement can be made whereby a trial election may be held prior to election day, presenting all the irregularities possible in an election, and thoroughly familiarizing each woman with the proper use of the ballot.

Women will be urged to use the polls between 10 A. M. and 4 P. M. as much as possible so as to avoid congestion.

Flower Show
Big Success

FIRST FALL SHOW A BEAUTIFUL DISPLAY OF NARBERTH GROWN FLOWERS AND VEGETABLES.

Those who did not attend the Flower Show in Elm Hall last Saturday missed a rare treat. The dahlias were a show in themselves. It is the opinion of experts that the Narberth-grown dahlias are the finest in Eastern United States.

Mr. Frank A. Clark, of Windsor and Hampden avenues, scored the highest number of points in the dahlia classes and won the Pennsylvania Horticultural Society's Silver Medal for the Most Meritorious Exhibit with 10 first prizes and 1 second prize. Total, 53 points.

The winner of the Bronze Medal was R. J. Edgar, with 31 points. Mr. Joseph P. Simpson, third, 25 points; Mr. W. H. Yowell, fourth, 18 points; Mr. John Williams, Haverford, fifth, 15 points; Mr. Henry Rose, 8 points; Mr. S. B. Weiss, 4 points; Mrs. A. Easton, 4 points; Mr. H. Y. Messick, 4 points; Mrs. J. C. Simpson, 4 points; Miss Grace Houston, 3 points; Mr. George D. Grover, 3 points; Mr. C. H. A. Chain, 3 points.

Y. M. C. A. Building
Will be Opened

With the coming of the fall and winter activities of the various organizations of Narberth, several requests have been made of the association to make the building available.

Consideration has been given the matter, and while the opening of the building will incur the expense of heat and janitor service, and there is no assurance that rentals which would be within reach of the organizations will cover this cost, nevertheless it has been decided to give it a tryout, in order to accommodate the community, and at the risk of loss to the treasury of the association, which can ill afford it.

The building, or parts of it, will, therefore, be available at the table of rates shown below. In order that proper arrangements may be made, any association desiring to make use of the building should make all reservations as far in advance as possible, and in writing, to the secretary, Mr. W. N. Mills, 237 Forest avenue.

The rates for the use of the building will, until further notice, be as follows:

Large community room, evening, \$10; large community room, afternoon, \$8; large community room, evening, with kitchen, \$13; large community room, afternoon, with kitchen, \$11; small club room, evening, \$5; small club room, afternoon, \$3; both community and club rooms, evening, \$12; both community and club rooms, afternoon, \$9; both community and club rooms, evening, with kitchen, \$15; both community and club room, afternoon, with kitchen, \$12; gymnasium, afternoon or evening, \$12; gymnasium, with showers and dressing room, afternoon or evening, \$15.

The above rates include the use of the lobby as a reception center and of the cloak room. These rates, which have been decided on, hardly cover the cost of maintenance, and then only providing sufficient use is made of the building. They will be maintained until it is found necessary either to revise them or to withdraw entirely the rental of the property.

Editorial

Much favorable comment has been expressed regarding Dr. Snyder's article, "A Plea for Narberth Boy Scouts," which appeared in our issue of September 18th, and, again, by various requests, in last week's issue.

The article has created the desired action to overcome the difficulty which confronted our local troop in having no place of meeting, and it now appears that two or three suggestions are being considered, any one of which would at least temporarily solve the problem.

Last Saturday was a busy play day for Narberth. We recall at least three activities which kept the town quite busily engaged for the afternoon. While our Flower Show was being visited by hundreds of enthusiasts in that direction, the ball field at the school was the scene of one of the largest crowds that had ever congregated in Narberth to witness a ball game. At the same time, the Tennis Tournament was in feverish activity, at which a great many were in attendance.

Such activities, particularly when successful to such a degree as in Narberth, do more to advertise a community than any other thing we could imagine. Our borough, you will find, leads in a hundred ways, when you stop to count the many things that keeps it at the front. And, remember—think Narberth and talk Narberth!

Speaking of baseball, we must comment upon last Saturday's game. Narberth should not have lost when the work of Bob Hood is considered. Better pitching has rarely been seen on the local grounds, not speaking of his afternoon of batting.

The game was lost through poor head-work, nothing else. And then, a certain amount of indifference pervaded among a few of the players—no moment was a psychological one to them. In baseball the game is never lost until the last man is out. Carelessness was in evidence, with a criss-cross of opinion as to what was done and what was best to do.

A Comfortable Subsistence

Every reason which makes it a man's duty to provide for his family while he is living acts with greater force to secure for them a comfortable subsistence after he shall be removed from them.

FREDERIC A. LANAHAN

205 Forest Ave. Phone Narberth 344 R.

Anyway, we have a fine lot of ball players of which we're proud, but a little smoothing out of rough places must be done in order to win from a team like Berwyn.

Never mind, boys, we're going to root hard this Saturday for you, but, by all means, keep your heads, and don't disregard the chances of scoring a man when he has made first by being over-anxious, when a calmer survey of conditions might score him.

GET BERWYN THIS WEEK!

To the Editor of Our Town:

In response to the letter from the owner of Lot Number Thirty-seven in the recent issue of Our Town, I will say that the owner of Lot Thirty-seven got needlessly warmed up about this. Whether or not Lot Thirty-seven is "positively the dirtiest" is perhaps a matter of taste, but the object of my earlier writing was to induce the owner of Lot Thirty-seven to get busy on the covenant that he proposed be written into the agreement and consented to, and voted for by the balance of the lot holders without a dissenting voice. Therefore, it seems to me the least the owner of Lot Thirty-seven could do would be to try to have his own pet plan put into real and active effect.

Perhaps Lots Three and Five are also pretty bad, and even Ten and Twelve. But for Ten and Twelve it can be said that they could not reasonably be expected to do anything, as these lots were left in the original condition as when received—simply piles of ashes. Lots Twenty-three, Twenty-five, Twenty-seven and Twenty-nine are perhaps not much better, but they are not quite as noticeable, neither are they as prominent as Lots Thirty-seven, Three and Five.

It would please me immensely if the owner of Lot Thirty-seven would bring his influence to bear on the other offenders, as nothing could be more desirable.

Thanking the owner of Lot Thirty-seven for the interest displayed in his reply, I remain

NARBROOK.

To the Editor of Our Town:

The reporter of baseball topics ends his article with the statement that the ball club will pay for any damage, etc., in the issue of September 11th.

It would interest him to know that I recently had to put a new roof on my house that cost \$500, due to the fact that those graciously received foul balls when they struck the previous roof damaged it so that the rain dampened considerable of the aforesaid graciousness. Do I understand that the reporter will make good the cost of this new roof? Is he also really speaking for the ball team?

Will the reporter also make good any damage caused by the coming in contact with one of the foresaid gracious foul balls and my baby girl's head. She is only three and can not be expected to dodge.

It might interest this reporter to know that my baby narrowly escaped injury last May from a foul ball, and this was taken up in person and by letter and to this day nothing has been done along the line of an inexpensive yet safe recommendation, viz., extend the safety net at the catcher's box a short distance down toward the third base. I even offered to stand half the expense connected therewith.

Graciousness and courtesy are fine indeed, but they must not be one-sided. Is the reporter aware of the conduct and language of those that use the ball field? Would he be gracious, too, did he live close by and have his home damaged, his garden injured, his children's lives endangered, and his family compelled to listen to the language used, and his request for an inexpensive safety net, at half price, absolutely ignored?

nored? Would he for the sake of the game allow the continuance of these doings or would he use the authority granted by the actual owner of the land to put an absolute and immediate stop to it?

Ardmore Y. M. C. A. Invites Narberthites

OFFERS A COMMUNITY SERVICE PROGRAM FOR ALL MEMBERS OF THE FAMILY.

The Lower Merion Department of the Y. M. C. A., of Philadelphia, with its building at Ardmore, Pa., is offering a stimulating and helpful program of varied activities for men, women, boys and girls of the Main Line during the fall and winter. A condensed statement concerning these follows:

The Carnegie Course of Practical Public Speaking, helping one to say forcefully and clearly in private as well as in public what he has to say, will be introduced on Tuesday, October 5, 7:30-9:30 P. M. by successful men who have taken the work and know of its merits.

Our "New Idea" in Millinery and Dressmaking Classes are being well patronized. The instructor, Madam Thasin, a French expert designer, helps them to make Parisian hats and gowns that delight the owners and their admirers.

Other courses offered are English and Civics for coming Americans, Bookkeeping, Mechanical Drawing, Shop Mathematics, and Blue Print Reading.

To help the people of the community keep physically fit, exercises and instruction in swimming, life saving, special and corrective exercises and popular games, under competent direction, are provided for all in our Swimming Pool and Gymnasium by arranged schedule.

Further, there are Bowling, Billiards, Checkers, Chess Tournaments and Games; also social events, discussion groups and Sunday Afternoon Meetings.

Details concerning any phase of the association's activities for the people of the community will be given by getting in touch with the office, 116 West Lancaster avenue, Ardmore, Pa. Phone Ardmore 833-J.

Here and Hereabouts

CONCURS WITH DR. SNYDER.

The letter by Dr. Snyder published last week is timely as bringing to the attention of the citizens of Narberth something that is worthy of serious thought.

Dr. Snyder says we are "confronted by a condition which challenges the loyalty of a community that justly prides itself upon its intelligence and public spirit."

Truly, no organization is worthy of support more than is the Narberth Troop, Boy Scouts. But the writer suggests thought be given to the myriad of youngsters growing up in the community with no public help or guidance, and without any centre of activity.

The Scouts, worthy as they are, represent but a handful of the boys of the community—some too young, some too old, some not eligible for other reasons to membership in the Scouts—and considers not at all the girls, who, in these days, are needful of almost as much public interest as are the boys. The writer earned some little experience in the work of creating interest of the community in the young people when he joined some others in an attempt to "put over" an expanded Y. M. C. A. recently. Many sympathized and assisted, but "the town" as a whole could have put over something they did not.

We have justly called ourselves "The Year-Round Home Town," but just as surely shall we lose the right to such title if the first duty of "home" and "home town" is not properly cared for, namely, the necessary public interest

Why can't—no, we can—but why don't we wake up and do something real. It isn't necessary that the community be one entirely of "bond coupon clippers." Did you ever stop to figure that just a little start, plus perhaps \$10 per year from each "home" in the community, would do the trick? Well, it would, and there are very few "homes" that could not give the ten per year, and a mighty lot that could and should do more.

The above department should be of the
greatest use to the community. The list con-
tains the name of every professional man
tradesman, mechanic, shopkeeper, etc., who
does or can in any way serve his fellow
townsman, and who is progressive enough
to add name to list of Register.

As it is difficult for those contributing
their time and efforts to the production of
"Our Town" to personally either know or
interview all such, it would be most help-
ful if those not now found in the printed
list would send in a memo of their names
address, phone numbers and businesses or
professions for listing. This will cost as fol-
lows: 10 cents each issue for 3 lines; 5 cent
for each additional line

Fall Luncheon of the Women's Community Club

The annual fall luncheon of the Women's Community Club will take place on Tuesday, October 26th, the place to be announced in a later issue. This date is a little later than had been anticipated, but the club members will be more than compensated for the delay by the presence of speakers impossible to secure earlier in the month.

Those who have attended the State conventions know the wonderful inspiration of those meetings, and we hold ourselves fortunate that our luncheon follows so closely on the date of the convention that its plans and inspiration can be echoed in our own meetings through our speakers, guests and members who have attended the Harrisburg conference.

Our own year opens before us, rich in opportunities and fraught with new responsibilities. The various activities of our club life will afford those means of growth and development necessary to make us bigger and better women, whose judgments are sane and unbiased.

A new department has been added to the club, that of Literature, under the direction of Mrs. Robert F. Wood, and there are promises of dramatic performances, book reviews, and a reading class.

The Legislative Department will go on with its timely and most valuable work.

There are plans for a dancing class, card parties, etc., for the social side of our work binds us more closely together.

The Chorus made fine progress last year and work will be continued this year with added opportunities and advantages.

Finally there is the succession of fine programs and interesting speakers, that feature which has been mainly responsible for the growth of the club.

We are part of an immense army. The membership of the National Federation of Women's Clubs reaches 2,000,000, and we are proud of the comradeship of that vast multitude of women of high aims and courageous efforts.

GRACE BATCHELOR,
President.

Meeting in Interest of Boy Scouts

A public meeting was held in the interest of our local Boy Scouts troop on Tuesday evening at Elm Hall, the principal object being to discuss ways and means of providing a permanent home for the troop. There were many friends of the boys present, several of whom spoke in high terms of the work being done by the Boy Scouts and the very helpful nature of the organization not only to the boys themselves but to every community in which they exist.

Dr. O. J. Snyder was selected as temporary chairman. Scoutmaster Fred C. Patten explained the position of the troop as to a meeting place or home, stating that since the Y. M. C. A. has not been in use the boys are virtually without a place to meet. There are thirty-eight enrolled, and they now have an average attendance of twenty-eight at every meeting. This number would no doubt be increased to at least a hundred had they a suitable, permanent home where they could have all literature, books, flags and other paraphernalia essential to an active and efficient troop.

Mr. Loos expressed keen appreciation of the importance of the organization and his desire to aid in securing a suitable home for the local troop.

Mr. George M. Davis, Mr. Hugh W. Brown, Mr. Wm. R. Parker and Mr. Leslie W. Lambert were others present who expressed their desire to aid in solving the problem which the troop is up against. Postmaster Haws was temporary secretary of the meeting.

The result of the meeting was the appointing of a committee consisting of Dr. O. J. Snyder, George M. Davis and Scoutmaster Patten to secure propositions from all possible sources regarding a permanent home, give same publicity and call a future meeting for action in the matter.

In this connection the committee request that anyone in or near Narberth who may have a building of any character which may be suitable for the purpose or be made so will kindly communicate with Dr. Snyder or other members of the committee.

The purchase of a lot and the erection thereon of a log cabin was discussed and considered by all present as an ideal solution. The committee would be greatly encouraged if someone would donate a small piece of ground or offer same at a nominal price. It is believed that the boys and their friends would get a suitable building on it in a short time.

THE FIRESIDE

(Continued from Page 1.)

Henry Rose, Frank A. Clark and R. J. Edgar visited the American Dahlia Society Annual Show on the Pennsylvania Hotel Roof, New York, on Tuesday.

An amusing and ingenious feature in the Vegetable Department of the Show was the pumpkin contest between Mr. and Mrs. Haws. Mrs. Haws won and Mrs. Dr. Faries got the pumpkin.

Of course you will be among the hun-

dreds who will attend the second championship game today on the Devon Polo Grounds, at Devon, between Narberth and Berwyn.

The W. F. M. S. of the Methodist Episcopal Church will meet at the home of Mrs. Robert E. Pattison, Jr., on Monday, October 4th, at 2.30 o'clock. Miss Mary Super will be present.

Among the students at the Combs Conservatory of Music, Philadelphia, are several residents of Narberth: the Misses Madelyn McCoy, Jean Houston, Faith McAuliffe, Emily Sibley, Elizabeth Metzgar, Lucia Keim, and Master Randolph Keim.

The Ladies' Auxiliary of the Harold D. Speakman Post, 356, of the American Legion, of Narberth, will hold their next meeting on the second Monday in October. There will be no announcement cards sent out. The ladies will give a Dinner Dance at the General Wayne on October 15th. Tickets, \$1.50 per plate.

It is understood that Daniel Stedem, M. D., son of Mr. and Mrs. E. W. Stedem, formerly of Merion avenue, now of Forest avenue, will engage in practice from the Forest avenue address after October 4th. Those who have met and know Dr. Stedem feel that his coming amongst us will be a decided acquisition to the present efficient medical service which our community receives.

Miss Ruth E. Prescott is entertaining a number of her friends at a house party at the Prescott bungalow in Ocean City this week, among whom are Miss Helen Fullerton, Miss Marguerite Sparks, Miss Mary Howard, Miss M. Armour, Messrs. Herbert Rose, Herman Bisler, Graham Miller, William Leonard, Don Brown, William Townsend, all of Philadelphia.
